It's okay Miss Plati-
STAND BACK you little runt!
Maybe we should leave, Toma...
I'm sure she's not used to seeing humans around. We could use another ally here!
Don't let your guard down!
She wouldn't hurt a fly, Blot!
WHAM
TOMA!!
Wolf form. NOW!
I can't! Wolf's been tagged by that stupid pie!
Then what?

What do you want me to do about our little prob', Miss Platinum?

That's a human, Brunswick! Mayor Holtz would scorch the entire block if he found out one was lurking!

Get that trash out of here and fast!

SQUISH

Sure thing, Boss.

Last thing we need is that firebrand sticking his snout around here.

Woooaaah!

Check it out, Blot! I'm a ball!

Oh-my-god that was Lucky Seven!

What's so lucky about 'em?

He touched a human! He might never play a game ever again!

Heck no Evan I will **NOT** go out on a date with you. Gonna have to find another sucker!

A-ha ha! Bad idea, I know! Had to give it a shot, right?

Trudy!

They got the Book!

Toma is in danger!

And I'm sorry I was the one who told Faux about your shop and you may never forgive me but that's not important right now I just feel guilty!
